THE COURTS.

United States Court.

In the District Court, before Judge Bryan, yesterday, John Peter Muller, of Hanover, gave notice of his intention to become a citizen of the United States, and was duly sworn.

The following cases for violation of the internal revenue law were tried: Daniel L. DeSausure and F. L. Phelps—selling tobacco improperly stamped. Verdict guilty, and damages assessed at \$150.

Alexis Elias—verdict guilty, and penalty fixed at \$50. Daniel Kirkley—verdict guilty, and damages assessed at \$50.

Wm. C. and Wm. J. Gerald—guilty, and damages assessed at \$150. Jordan Wiley—guilty; damages \$50.

Charles Elias—guilty; damages \$100. Edward J. Conner—guilty; damages \$25.

IN BANKRUPTCY. The petition of Charles Cathcart, of Fairfield, for a final discharge was referred to registrar Clawson to report.

Samuel Rea, of Greenville, bankrupt, was granted his final discharge in due form. J. K. Terry, deputy marshal of the State of South Carolina, appeared and qualified.

The report of the registrar on the petition of John W. Burdette, for the sale of perishable property belonging to the estate of Barrel Sanders, was ordered to stand as the judgment of the court and the property to be sold.

Adjudged until ten o'clock this morning. STATE SUPREME COURT. In the Supreme Court of the State on Thursday, before Judges Willard and Wright, the following business was disposed of:

Lucy H. Shelton, respondent, vs. Albert J. Mylin, appellant. Mr. Mooreman asked and obtained leave to complete the record, and was heard for appellant. Mr. Steedman for respondent. Mr. Mooreman in reply.

Rebecca Speake, respondent, vs. Louisa C. Kinard, et al, appellants. To be submitted on printed arguments.

Michael Werts, et al, administrator, respondents, vs. Latimer W. Long, et al, appellants. To be submitted on printed arguments.

The docket was closed and the following order was made: It is ordered, that at the November term of this court, commencing on the fourth Tuesday of November next, the causes on the several circuits shall be called in the following order, and the time to be allowed to the hearing of cases from each circuit, shall be to the day fixed for the commencement of the next term.

First Circuit, Tuesday, November 26. Second Circuit, Monday, December 3. Third Circuit, Monday, December 10. Fourth Circuit, Monday, December 17.

Second Circuit, Thursday, January 2, 1913. Fifth Circuit, Wednesday, January 8, 1913. The court then adjourned until Thursday, May 30.

DELINQUENT TAXPAYERS.—On the first Monday in June all lands upon which any taxes remain unpaid will be absolutely sold to public auction for whatever they may bring, the State guaranteeing the title to the purchaser.

CRUMBS.—President W. H. Jones, of the Best-n Fire Company, is a member of the Legislature, and is spoken of as a candidate for secretary of State.

THE WAGNER ARTILLERY received their arms and had a drill at Lindstedt's Hall last evening.

Bad weather is nothing to the men of Enterprise. The work upon the road went on last night in the rain as if the moon was shining brightly, and East Bay suffered fearfully.

A wild Texas mustang was subdued yesterday at the Mills House stable on the Battery system. He was afterward bridled and sold for one hundred and two dollars.

SET YOUR WATCHES.—The handsome clock in the front pediment of the Postoffice was yesterday turned over to the Chamber of Commerce as in perfect working order. As a time-piece, it is warranted in every respect and the public may rely upon its correctness.

It was ordered by the Chamber of Commerce through the house of Mr. A. E. Hayden, King Street, from the makers, E. Howard & Co., Boston, Mass. It is guaranteed to run for ten years, and afford an accurate time standard.

THE PUBLIC are also in a measure indebted to Mr. Oakshot, of the Customhouse, 1 the interest manifested by him in the matter, he having erected the platform in the building on which the machinery rests.

MIND YOUR OWN BUSINESS.—Yesterday afternoon two boys quarrelled at the corner of Columbus and Nassau streets, and appeared to their fists. One of them was handling the other pretty roughly, and had given him a severe cut on the cheek, when a policeman came up and proceeded to stop the row by arresting the combatants.

A colored man, named Tony Washington, who was looking on, interfered to see fair play, and hit out viciously at Chubb and Stars. The latter relinquished his hold upon the boys, who escaped, and captured the admirer of fair play, who was forthwith locked up in the Guardhouse. The fray will be investigated this morning before the Mayor.

A BOAT RACE AHEAD.—THE CAROLINAS THROW DOWN THE GAUNTLET.—A meeting of the Carolina Independent Boat Club was held last evening. The subject of a race between the two clubs was discussed, and it was resolved to challenge the Palmetto Regatta Club to a trial of speed between the boats of the respective clubs.

Mrs. Bryan and R. M. Means were appointed a committee to notify the Palmettos of this action, and to make all necessary arrangements for the race. This is expected to take place on the second Saturday in June, and, as there is but little doubt that the Palmettos will accept the challenge of their juniors, we look for an exciting contest. The boats are both trim and keen, and of the same build, that of the Independent Club being five feet longer than the other. The Palmettos, however, boast a crew whose skill and training they expect to counterbalance the advantage of their rivals.

THE TOUR OF EUROPE, a panoramic work of great merit, will open here on Monday night. See advertisement.

THE IRISH FESTIVAL.—The following donations, in addition to those already published, have been received: B. Feldman, King street, a Davis diamond ham; P. Walsh, Market street, a case of liquors; T. O'Brien, a pig; Mrs. M. Dunlap, King street, a handsome wreath.

THE IRISH VOLUNTEER RIFLE CLUB.—This sterling corps held a meeting at the Gibraltar Hall last evening, at which several applicants were elected members. The club then had a drill in the large hall on the lower floor, and concluded the evening in discussing the contents of a capacious punch bowl. The meeting was a decided success.

CLUBS AND STARS.—Richard Fleming, a fact-drummer, was reported for driving his motor too fast around the corner of Anson and Market street, instead of walking, as required by the ordinance. He was fined two dollars, with the alternative of twenty days in the House of Correction. Fine paid.

A party who was reported for allowing water to be thrown from the upper window of his residence showed that the complaint was but too well deserved by the person below. The latter did not appear in court, and the case was dismissed.

The owner of certain premises up-town was reported for allowing one of the chimneys to take fire. He explained and was discharged.

ON THE BATTERY.—Since the last public parade, (the fifteenth amendment celebration), the old stand opposite the Celebration House has been taken down, and, under resolution of Council, a more pretentious structure is being erected in the western part of White Point Garden, where the old flag-staff used to stand. This rotten old mast has also been pulled down. The floor of the new stand is five feet from the ground, and it is octagonal in shape. On four opposite sides are neat steps for ascending the stand, and on other four sides are enclosed by a strong balustrade, with convenient seats, the space beneath the floor being enclosed by a neat lath grating. Around the large centre-pole are arranged stands for music. The stand is twenty-five feet in diameter, and is covered by a lacy conical shed, twelve feet from the floor. The apex of the roof ends on the tall flag-staff, with suitable halyards. At each angle of the octagonal roof are smaller flag-staffs for little flags. The stand was designed and built by Mr. Frederick Lucas, and will be finished late afternoon.

PHILADELPHIA.—Per steamship Virginia—237 bales cotton, 15 bales yarn and goods, 1033 bales hosiery, 15 bales yarn, 35 tons old iron, 109 bales cotton, 33 empty bales, 76 crates beans, and sundries.

BALTIMORE.—Per steamship Falcon—32 tierces rice, 100 bales cotton, 41 tons old iron, 71,000 feet of lumber, 107 crates vegetables, 29 bales potatoes, and 38 pkgs. sundries. Per schooner Elias Moore—150,000 feet flooring boards.

TRIBUTE OF RESPECT.

At a regular communication of Union Kiwanis Lodge, No. 4, A. F. M., held Thursday evening, May 16, 1912, at Holmes' Hall, the following preamble and resolutions were unanimously adopted:

Again we mourn the loss of a cherished zealous and earnest member. Of our late brother, James R. Fringe, Jr., there remains with us nothing save the memory of a pure and well-spoken life. No one could have fallen from his place among us more lamented than he whose death we mourn to-night. No one was more beloved. His frank manner, so cordial, so winning, carrying with it the assurance that each word and act came from a nature altogether true and genuine, lasting with warm affection for his friends, and with a generous courage for every call of duty, a remembered by us all, and endeared him to all who knew him.

Full of hope and of joy and of hope, in the full vigour of youth, a career of usefulness and helpfulness apparently just opening before him, suddenly he was afflicted with a fatal malady, and after a few weeks of patient suffering, he passed away on the 7th instant. The sad duty remains to us of paying a tribute to his memory; therefore,

Resolved, That in the death of our late brother, James R. Fringe, Jr., Union Kiwanis Lodge has lost an officer and a member whose career was full of usefulness and whose life was a constant inspiration to his friends and to all who knew him.

Resolved, That a copy of this preamble and resolutions be forwarded by the secretary of this Lodge to the family of our late brother, and be published in the morning papers of this city.
